

COVID-19 MEET & GREET GUIDELINES FOR A HOUSEHOLD WITH NO PETS

1. All adoption meet & greets MUST take place outside only.
2. All humans MUST adhere to social distancing guidelines. No handshaking and social touching.
3. All humans MUST wear a mask at all times.
4. Medical and contract paperwork will be reviewed over the phone with the foster and adopter the day prior to the scheduled meet & greet.
5. Contract and payment must be done on personal devices at the time of the meet & greet.
6. At the meet & greet when handing off the dog they will have a leash on their collar (the foster parent's leash). While the leash is still attached the foster parent will hold onto it and step back, at that time the adoptive parents can attach their leash to the collar and step back while still holding the leash. The foster parent can then step forward and remove their leash.

If a party is not following the social distancing measures the other party can ask that they respect the guidelines to ensure safety for all.

If at any time the above guidelines are not being followed or either party feels uncomfortable the meet and greet can be postponed until at a later date.
